Written for International News Service  
POLO GROUNDS, New York, Oct. 13.—John McGraw's battling Giants are baseball champions of the world tonight for the second time in the history of the game.

Fighting tooth and nail behind the brilliant pitching of Art Nehf they turned the Yanks back by a score of 1 to 0 in the most hotly contested game of an unusually hard-fought series, scoring their fifth victory over young Waite Hoyt.

Twice in the earlier stages of the series this same Hoyt rolled the Giants back. He was the lad who proved the backbone of the Yankee pitching staff, but the Giants broke him today and Nehf earned the glory of pitching the deciding game, turning the eager Yanks back in after in the long and chilly afternoon. Hoyt also pitched a bang-up ball game. The crowd that saw today's game was the smallest of the series, the weather being too raw to bring out a capacity attendance.

The Yanks died game. They fought like wildcats but no avail. After the Giants had been retired in the last frame Big Babe Ruth made a dramatic appearance, swinging three bats. The home run king batted for Pipp and swung with the viciousness of a Goliath, but his effort resulted in an easy roller to Kelly and he was out. Ward then drew a base on balls and Nehf was in trouble. Giant fans held their breaths as Home Run Baker stalked to the plate. Baker got Nehf into a 3 to 2 hole. Then he crashed into the ball with all his weight and it shot from his bat toward right field.

Johnny Rawlings dove for the ball and collared it, though he lost his feet, and managed to throw Baker out at first by an eyelash. Quick as a flash Kelly whipped the ball to Frisch at third, for which Ward was running like an antelope. The ball found its mark and Ward was out on a double play retiring the side.

The story of today's game, play by play, follows:

First Inning  
Giants—Burns up. Strike 1. called. Burns out. Baker to Pipp. Bancroft up. Ball 1, wide. Foul, strike 1. Ball 2, inside. Ball 3, wide. Ball 4, wide. Bancroft walks. Frisch up. Ball 1, low. Ball 2, high. Ball 3, wide. Strike 1, called. Strike 2, called. Foul. Frisch out on a foul fly to Pipp. Hoyt steadied.

Second Inning  
Giants—Rawlings up. Ball 1, wide. Ball 1, wide. Rawlings led off with a clean double down the left field line. Snyder out. Snyder out on a sacrifice. Hoyt to Pipp. Rawlings out at the plate. Peck to Schang on Nehf's grounder to short. Nehf on first. Burns up. Strike 1, called. Foul, strike 2, into the left field bleachers. Burns singled to left. Nehf taking second. Bancroft up. Strike 1, called. Bancroft out. Peck to Pipp. No runs; 2 hits; no errors.

Yanks—Ward up. Ward out on a foul fly to Snyder. Baker up. Strike 1, missed. Strike 2, missed. Baker out. Rawlings to Kelly, the Giant second baseman making a pretty stop. Schang up. Strike 1, called. Schang out. Bancroft to Kelly. No runs; no hits; no errors.

### Mrs. E. J. Bielefeldt's Injuries Not Serious

Mrs. E. J. Bielefeldt, 1623 Gardena avenue, who was injured in an accident at the intersection of Maryland avenue and Broadway yesterday afternoon is getting along nicely at the Glendale Sanitarium and Hospital, and it was reported this morning she would not be detained there more than a couple of days.

While crossing the street Mrs. Bielefeldt was run into by a motor-cycle driven west on Broadway by William Pahland, 811 East Palmer. He says that he did not see her until too late to stop. Mrs. Bielefeldt was thrown to the paving and taken in an unconscious condition to the hospital by E. J. Hamilton, 204 East Broadway. She was soon revived and found to have no broken bones, although she had a bad gash at the left temple.

The supposition is that she had dodged an automobile driven by J. M. Green of Eagle Rock, which turned west on Broadway from South Maryland avenue, and had stepped directly in the path of the motor-cycle. Mr. Green went to police headquarters immediately and reported the accident, remarking that he had not seen Mrs. Bielefeldt until after the accident.

### John G. Beckman Has Parents In Home Here

John G. Beckman, a Los Angeles architect who has built a comfortable home at 717 Milford street, now has his parents, Dr. and Mrs. O. H. Beckman, happily domiciled there. The doctor finds Glendale climate conducive to health. He was formerly a resident of Mendocino county and the president of the medical society there. Friends of the family from the northern part of the state undoubtedly will be glad to call at their home, the venerable physician having made so many calls on them in days gone by.

### MANY INQUIRIES BY PEOPLE SEEKING TO COME HERE

Chamber of Commerce Gets  
Numerous Letters About  
Glendale Conditions

Inquiries are flooding the Glendale Chamber of Commerce for information about this city and especially rental properties. It is evident that thousands of people are headed this way when eight letters are received in the morning's mail by Secretary James M. Rhoades.

A man at Gilroy, Calif., writes about investment possibilities, while another in Minneapolis, Minn., wants a house. A family at Croton on Hudson, N. Y., also wants a home here.

From Huntington Park a letter was received from a man wishing to engage in business. An Albuquerque, N. M., railroad man, seeks to retire here, and asks about the climate, etc. Other queries were received from Winfield, Kan., Los Angeles, Durant, Okla., and Minneapolis, Minn.

### 1000 By Saturday Night

Assistant Secretary E. F. Sanders expects the membership of the Chamber of Commerce to pass the 1000 mark by Saturday night. People are now coming in without the asking, it being a privilege to join such a live organization, they say.

C. A. Doty, representing Edmonds & Bolton, public accountants, walked into Chamber headquarters this morning and made out his application. He expects to open offices here at once. L. H. Wilson of 1024 South San Fernando road telephoned his desire to become a member and it didn't take Mr. Sanders long to go and see him.

Secretaries of the San Fernando valley commercial organizations met last night at the home of Secretary Cecil Wilcox of Lancaster, who is also editor of the Lancer at that place. Mr. and Mrs. James M. Rhoades attended and after dinner ways and means for advertising the valley were discussed.

The annual meeting of the San Fernando Valley Associated Chambers of Commerce will be held at Pacoima next Tuesday night, and officers will be elected. J. A. Newton, George E. Bentley and S. C. Packer are the representatives of the Glendale chamber.

### Y. L. I. SOCIETY MEETING

A short meeting of the Y. L. I. society, of which Mrs. F. Salmacia is president, was held last night at the home of Miss Margaret Finn, 218 East Garfield avenue. At this time donations for the hope chest, which is to be disposed of by the society for the benefit of the new Holy Family Catholic church, were turned in. The meeting adjourned early so as to afford members an opportunity of attending the program given at the church, at which time the Ford automobile was disposed of.

### CITY TO HAVE OWN MAIL SERVICE, MESSAGES TO ATTY. W. E. EVANS AND BANKER W. S. PERRIN STATE

Congressman Walter F. Lineberger Is Successful,  
Says Wire From Frank Harrison, Nebraska  
Politician, Who Aids In Victory

AN INDEPENDENT POSTOFFICE is ordered for Glendale! That is the news contained in a telegram received at noon today by W. S. Perrin, president of the Glendale Savings Bank, from Frank A. Harrison, a newspaper man and politician of Lincoln, Nebraska, who states:

"Today I accompanied Congressman Walter L. Lineberger through the postoffice department in continuation of his months of strenuous effort to get an independent postoffice for Glendale. He was successful and an independent postoffice is ordered."

In yesterday's news dispatches, it was stated that Congressman Lineberger was continuing his efforts and refused to accept the recommendation of the department that Los Angeles give better service here. If Mr. Harrison's message is correct, and there is no reason to doubt it, the citizens of Glendale will have won a ten-year fight for mail service independent of Los Angeles.

This has been brought about by the effort of the Chamber of Commerce in bringing to a climax the fight started by The Glendale Evening News nearly a decade ago. The last letter written by Secretary James M. Rhoades of the Chamber of Commerce stated in unmistakable terms that

Glendale was going to have an independent postoffice.

Mr. Harrison became interested in Glendale's predicament last winter when he visited here and determined to move to southern California. When he left for Lincoln, Nebraska, to close out his business interests there he assured friends that he would bring pressure to bear on political friends in Washington to aid the local congressman in obtaining a postmaster and separate office for this city.

Attorney W. E. Evans is another citizen who has done much to speed the independent postoffice and he this afternoon re-

### ANOTHER CRISIS RESULTS IN IRISH PEACE CONFERENCE

LONDON Oct. 13.—The gravest crisis of the Irish peace negotiations was reached this afternoon when the peace conference suddenly adjourned and Michael Collins, the outstanding figure of the Sinn Fein delegation threatened to withdraw. The crisis had been precipitated by Premier Lloyd George who asked the Sinn Fein delegates whether they would consent to a continuation of the deliberations upon the basis of Ireland remaining a part of the British empire. Upon the Sinn Fein's answer depends whether or not the parley would continue. When adjournment was taken shortly after 1 o'clock Collins was apparently angry. "We are not coming back," snapped the commander-in-chief of the Irish republican army. Before he could say any more, Arthur Griffith, head of the Sinn Fein delegation, broke in: "Well, we are coming back at 11 o'clock tomorrow morning."

### 'FATTY' ARBUCKLE ENTERS HIS PLEA OF NOT GUILTY

SAN FRANCISCO, Oct. 13.—Roscoe ("Fatty") Arbuckle will go on trial in superior court here on Monday, November 7 on the charge of manslaughter preferred against him as a result of the death of Virginia Rappe, film actress. This date was set today when Arbuckle appeared before Judge Harold Lauderback and entered a plea of not guilty to the charge. Attorney Charles H. Brennan, who is understood to have been definitely selected as chief counsel, urged that the defense be given considerable delay on account of the heavy burden of preparing for the case. Assistant District Attorney Milton opposed any delay and asked that the trial be set for Monday, October 31. After a heated clash as to the date, Judge Lauderback effected a compromise on November 7. Brennan said there was no announcement to make at this time as to additional counsel, but said that "associate counsel may be added." Arbuckle's court ap-

### L. A. COUNTY SCHOOL SUPERINTENDENT SENDS MESSAGE

Mark Keppel Tells Institute  
Greatest Period of Growth  
Now Being Experienced

"Los Angeles county is in the midst of the greatest period of growth in all its history. Almost everywhere school enrollment exceeds the expectations of the most optimistic."

This statement was made this morning at the local session of institute in the high school auditorium by N. G. Durfee, assistant county superintendent of schools, reading from an official communication from County Superintendent of Schools Mark Keppel.

"The demand for more money and for expenditures for new purposes is pressing and urgent," he continued. "This is a time for moderation and economy. Every possible effort must be made to live within the district's income and expenditures for new purposes must not be made unless there is a certainty of their legality. The fact that an expenditure is for a good purpose does not make it a legal expenditure. Its legality depends not upon its goodness but upon law."

### Must Stay in Income

"The constitution makes it obligatory that each district must live within its income. A district cannot use the income of a succeeding year to pay the debts of a preceding year. Every year several districts attempt to do that very thing and teachers, janitors and tradesmen are beaten out of money because the district incurred obligations beyond its income."

"The new law regarding compulsory attendance makes it the duty of each school board to enforce the law. Each district should have a list of pupils who are not in school. Every case of absence should be investigated promptly. Los Angeles county is large and there are many children out of school. The registration of minors last week was not as successful as it should have been."

### Praises Organization

"The California Teachers' association is a splendid organization and has done and is doing a great work to advance the cause of education. It deserves the financial and moral support of each and every teacher. The local institute is an experiment."

## FAIL TO HEAR 'Y' APPEALS

ASTORIA, Ore.—Failure of the  
public to respond to the financial ap-  
peals of the Y. M. C. A. is respon-  
sible for the sign which now hangs  
on the door of that institution. The  
sign reads: "Closed." But the board  
of directors have not lost faith in the  
public generosity. "We are behind  
in the payment of salaries of the  
caretakers and temporary secretary,"  
said G. C. Pauling, president of the  
board of directors, "and we are out  
of fuel. But we anticipate a satis-  
factory response from the people so  
that we can reopen the 'Y' at an  
early date."

## England's Program for Conference Discussed

LONDON, Oct. 13.—Great Brit-  
ain's program at the Washington  
conference on limitation of arma-  
ments and Far East problems was  
discussed by the British cabinet. Pre-  
mier Lloyd George presided. Vari-  
ous problems were reviewed and the  
personnel of the British delegation  
was considered at length.

It is now understood that A. J.  
Balfour, former Foreign Secretary  
and one of the foremost diplomats in  
Europe, will head the British dele-  
gation. Premier Lloyd George  
wished to go to Washington and  
many officials urged him to head  
the British delegation, but he de-  
cided, in view of the Irish peace par-  
ley and the unemployment crisis, to  
remain at home. It was pointed  
out, however, that this decision might be  
changed at the last minute.

"All the beans you can eat for 15  
cents. All the spaghetti you want  
for 15 cents. All the coffee you can  
drink for a nickel. It's hell to be  
broke; if you're hungry, come on in  
anyway." So reads a sign of a West  
Thirty-fourth restaurant man in New  
York City—and he says the restaur-  
ant is a great success.

## Victoria Cross Cannot Be Given to U. S. Hero

LONDON, Oct. 13.—King George  
has ruled against the suggestion that  
the Victoria cross be conferred upon  
the tomb of America's unknown sol-  
dier in Arlington cemetery. It was  
learned today. The king held that  
such use of the famous British medal  
would be contrary to tradition. It  
is likely that a special medal will be  
struck with which to decorate the  
grave of the American doughboy.

Contrary reports were current to-  
day as to whether General Pershing  
would come to London. One was  
persistently circulated to the effect  
that General Pershing would confer  
the Congressional medal for valor  
upon the grave of Britain's "un-  
known soldier" at Westminster Ab-  
bey on Monday morning.

Sound-proof rooms for nervous  
artists are a part of a New York hotel  
service. They are installed on the  
top floor of the hotel. There  
are no windows in the rooms and the  
doors are of the ice-box type, the  
room being ventilated by means of  
a special device. Each room is fur-  
nished with luxurious upholstered  
furniture, and the walls and ceilings  
are done in a flat dove-gray.

stop at the Glendale station in the  
southern part of the city in order  
that many passengers may be accom-  
modated. Time was when this city  
could conveniently go to Los An-  
geles, but with congested traffic con-  
ditions there, it is almost impossible  
to make a train without starting a  
day ahead of time.

Further, the population of this  
city is so great that it would be to  
the Southern Pacific's interest to give  
the greatest amount of service pos-  
sible, the Chamber committee con-  
tends. There is no reason to doubt  
Mr. McGinnis will do all in his power  
to better the present service.

## Christian Circle Has Dinner and Gathering

The first fall meeting and dinner  
of the Glendale Christian Circle club  
took place on Tuesday evening at the  
First Baptist church on West Wilson  
avenue, with an exceptionally large  
attendance for an opening gathering.  
Besides the large number of mem-  
bers present all of the ministers, and  
their wives, of Glendale attended the  
affair, they being the guests of the  
club.

Following the dinner, which was  
served by the women of the First  
Baptist church, Mrs. Margaret I.  
Biggs, who is chairman of the su-  
per committee, assumed the position  
of spokesman for the evening, ex-  
tending a welcome to the ministers  
and all other visitors.

Miss Mildred Elliott, president of  
the circle, gave a talk to the mem-  
bers of the organization, telling them  
the nature, plans and accomplish-  
ments of it. Rev. Charles M. Cald-  
erwood, president of the Glendale  
Ministerial association, Rev. E. E.  
Ford and others also appeared on the  
program.

Miss E. Maude Soper, teacher of  
the circle, gave the Bible lesson,  
which was taken from the sixth chap-  
ter of the book of Mark. Prior to  
the lesson, however, she conducted  
a thorough review of the preceding  
chapters of Mark which were studied  
last spring.

## Seventh-day Adventist Officials Going East

Elder J. W. Christian, president of  
the Pacific Union Conference, and  
Professor W. W. Ruble and F. E.  
Fahner, Educational and Field Mis-  
sionary secretaries of the Union,  
started this week for Minneapolis to  
attend the Fall Council to be held  
by the General Conference of  
Seventh-day Adventists. Delegates  
from all parts of the United States  
will be in attendance at this meet-  
ing. Plans will be perfected for the  
General Conference in San Francisco  
next May when missionaries will  
come from all parts of the world.

The particular matter which calls  
Professor Ruble to the Fall Council  
is that before the General Confer-  
ence Committee a plan to build a  
Seventh-day Adventist Junior Col-  
lege in Southern California. The  
delegates voted to do this during the  
time of the camp meeting at Alham-  
bra last August. San Fernando  
Academy has so far served the de-  
omination in the southern end of  
the state, but the work has grown  
so rapidly that a larger school is de-  
manded. A committee has been  
chosen to secure a location for the  
school, and plan the necessary build-  
ings which will probably cost in the  
neighborhood of \$200,000.

## Concert by Local Band Is Thoroughly Enjoyed

Several blocks of parked automo-  
biles in the vicinity of the Elks' club  
building last night was the manifes-  
tation of appreciation by Glendale's  
music lovers of the local Legion-  
Elk band. The concert, which was  
staged on the wide porch of the club-  
house, started at 7:30 o'clock and  
ended shortly after 9, when the en-  
tertainment was appropriately closed  
with "The Star Spangled Banner."

At the close of the concert Direc-  
tor R. D. Crawford was showered  
with numerous compliments on the  
band, which is the same one that at-  
tracted so much attention in the va-  
rious parades in the recent Elks' na-  
tional convention in Los Angeles.  
About 500 people listened to last  
night's all-star program.

## Miss Jane Humphreys Will Speak to Club

Miss Jane Humphreys, chairman of  
the membership committee for Los  
Angeles county and also of the state  
Federation of Business and Profes-  
sional Women's club will be present  
at the meeting of the Glendale Busi-  
ness and Professional Woman's club  
at 7:30 o'clock tonight in the Cham-  
ber of Commerce room and deliver  
an address on the value of club work  
to the individual and the value of the  
state federation to the individual  
clubs.

The speaker will be accompanied  
by Miss Orabell Chilton, president of  
the women's faculty of the Univer-  
sity of California, southern division.  
Miss Chilton will give a short talk  
on club activities.

## BRANDS LEAVE FOR EAST

Mr. and Mrs. L. C. Brand left yes-  
terday for the east. Mrs. Brand  
will spend the remainder of the au-  
tumn at Bristol, R. I., returning home  
for the Christmas holidays. Mr.  
Brand will stop at St. Louis and ex-  
pects to return in November.

## Jackie Coogan Gives Henrietta Ford Away; J. J. Chapman Lucky

J. J. Chapman, 129 North Everett  
street, last night at the new Holy  
Family Catholic church was "mar-  
ried" by Jackie Coogan to Henrietta  
Smith Ford.

One of the features of the cere-  
mony was the fact that the bride re-  
mained outside in the cold during the  
entire services. She was becomingly  
attired in black—tin. Jesse Smith,  
godfather to the bride, gave her  
away. Harry Girard acted as best  
man and W. J. Kelly served as  
bridesmaid.

There was some hesitation in the  
selection of a bridegroom for the oc-  
casion as 200 tickets remained un-  
sold at 8:30 o'clock. Jackie Coogan  
with his winning smile was put on  
the job and with his father, manager,  
and the assistance of several others  
from the church soon disposed of  
them. The largest number of Ford  
tickets during the bazaar were sold  
by Frank Leslie who made a record  
of over 500.

The net profit on Henrietta  
amounted to \$967.50—about \$218  
more than was estimated. The re-  
turns from the entire bazaar amount  
to between \$3600 and \$3800. Mem-  
bers of the church are much elated.

Before the ceremony of the eve-  
ning Rev. James S. O'Neill remarked:  
"I want to thank you one and all  
for your kindness during the bazaar  
last week. It just comes from the  
bottom of my heart and I wish you  
could all take that Ford home."

## War Mothers' Society Will Meet on Friday

The second meeting of the recently  
organized Glendale War Mothers' so-  
ciety has been scheduled to take  
place tomorrow afternoon at 2:30  
o'clock at the home of Mrs. Samuel  
A. Dick of 309 North Louise street.  
All mothers of war veterans who are  
living in the vicinity of Glendale are  
invited and urged to be present at the  
gathering, which has been announced  
as being both interesting and educa-  
tional.

Besides the local women who will  
attend the session a number of the  
members of the Los Angeles War  
Mothers will be on hand, as they  
have been invited as a body.

Mrs. C. Bigney of White Plains,  
New York, who was elected National  
War Mother at the national conven-  
tion held several weeks ago in Sacra-  
mento, will be on the program with  
a speech regarding the organization.  
Mrs. Ed Hopkins, Los Angeles, who  
is the County War Mother of this  
county, will also give a short talk,  
as will various other officers of the  
society.

Mrs. Dick, who attended the Sacra-  
mento convention as a delegate from  
this city, will read her report of the  
convention.

## Mutual Benefit Circle Has Regular Meeting

The regular meeting of the Mu-  
tual Benefit Reading Circle was held  
yesterday at the library building, in  
charge of the president, Mrs. A. A.  
Barton, and with about fifty mem-  
bers present. The reading of the  
book "All the Children of All the  
People" (Smith), was continued.  
The part taken up yesterday dealt  
with the schooling. The author  
stated that the children should be  
given an opportunity to make the  
best of what they are strong in and  
should not be hindered in school  
with things for which they are not  
fitted. The report of the treasurer,  
Mrs. C. H. Peddleton, showed that  
the circle has a paid membership of  
150. The educational review yester-  
day was given by Mrs. W. H. Dot-  
son on "Freedom and Our Changing  
Standards" (Reinhardt).

## Specialist In Dentistry for Children Is Here

"Pedodontist" is a new word  
coming to The Evening News office  
in the announcement card of Wilbert  
W. Warriner, D.D.S.

No, "ped" does not refer to the  
pedal extremities or the feet. The  
word "pedodontist" designates a  
specialist in children's dentistry—  
and Dr. Warriner is just that.

Although his new office is located  
in the Pacific Mutual Life building in  
Los Angeles, Dr. Warriner lives in  
Glendale at 442 Vine street. He is a  
member of the American legion.

## John Farner at Home From Pacific Fleet

John Farner, first-class fireman  
aboard the U. S. S. California, the  
new warship of the Pacific  
fleet, is here on a ten-day leave and  
is visiting his parents, Mr. and Mrs.  
Fred G. Farner of 223 North Adams  
street. While the word fireman  
sounds like hard work, young Farner  
declares it's a great life on the  
oil-burning, electrically-driven bat-  
tleship.

## LEAVES ON BUSINESS TRIP

E. E. East of 121 West Lexington  
Drive, investigating highway engi-  
neer for the Southern California Au-  
tomobile club, left Tuesday on a  
short business trip to San Luis  
Obispo and San Francisco. He will  
also inspect a stretch of road that is  
being built as an experiment, by an  
entirely new process, near Pittsburg,  
which is attracting considerable in-  
terest in the automobile world.

## MRS. B. GEIGER IS HOSTESS

Mrs. B. S. Geiger of 428 North  
Kenwood street will open her home  
to the members of the Sisterhood  
Class of the First Methodist church  
this afternoon at 2:30 o'clock for  
a class party. The program for the  
afternoon will be in charge of the  
entertainment committee, which in-  
cludes Mrs. Geiger, Miss Luella Col-  
lins and Mrs. S. A. Trowbridge.

## GLENDALE MIDGETS BEAT COVINA IN HARD CONTEST

Local Football Players Come  
Home With Long End of  
14 to 13 Score

Eleven tired and nerve-racked football players returned to their homes in Glendale last night with the knowledge that they had been in a battle, and also with the comforting assurance that they could tuck another feather in their somewhat faltering chapeau. The aforementioned pigskin performers were none other than the Glendale high school midgets, who yesterday afternoon kept their place at the top of the league standing by walloping the Covina lightweight on the latter's gridiron. Although Coach Butterfield's athletes came out on the long end of the score it was far from being a pink tea party for them. In fact, the local lads were given the scare of their young lives in the last quarter of the torrid encounter, when the Covina players suddenly braced themselves and came within an ace of tying the score, which ended 14 to 13. In the last five minutes of play Halfback "U. S." Grant of Covina broke through the Red and Black line for a touchdown, but the locals were saved in the next moment when the home team's kicker failed to convert the goal.

**Start Out for Cleanup**  
Glendale started out as though they meant business, rolling over their opponents for a pair of markers in the opening quarter. Both touchdowns were made as the result of long end runs, one by Gintery and the other by Roberts, which were effected following a series of successful bucks down the middle of the field. Gintery's productive sprint was a beautiful run around the right wing for ten yards, while that of Roberts was an even neater piece of skirting and was for twenty yards around the opposite flank.

A great part of the local victory should go to Horri, the nifty little Japanese end. The speedy star, who manages to top the scales at 115 pounds avoidpoids, displayed to the several hundred assembled fans and fanettes the delicate art of converting goals with a No. 5 cleated hoof. Had Horri failed to kick accurately following the two touchdowns his team would have lost the contest, consequently putting them out of the Central league running.

**How They Lined Up**  
Following is the lineup of the two teams:  
Covina—Hutchinson, le; Arnold, lt; McBryde, lg; Lockridge, c; Morrow, rg; Salko, rt; Marooner, re; McCann, q; Grant, lb; John, rf; Sautters, r.  
Glendale—McKee, re; Searies, rt; Goody, rt; Jeter, c; Morrison, lg; Burns, lt; Horri, le; Gintery, q; Roberts, rh; White, f.

### Fountain Lunch Stand Serves Breakfast Now

Friends of G. H. Smith and patrons of the Fountain Lunch Stand of Sam Seelig's won't have to bring their breakfast with them when they call there hereafter before 7 o'clock in the morning.  
It seems that Mr. Smith got tired of going home. Anyhow, he has announced new hours of service from 6 a. m. to 9 p. m. every day in the week, Sunday included.  
A new fountain has been installed, and, although little of it can be seen under the counter, it is declared to have cost \$1000. Additional equipment is being added to the culinary department, which is conducted exclusively by women, and a specialty will be made of juicy steaks and short orders. Mrs. Grace Shadell, 531 Oak street, has been retained to supervise a portion of the work. She is some cook, says Mr. Smith.

### Kenney Music Shop Has the Latest Jazz Records

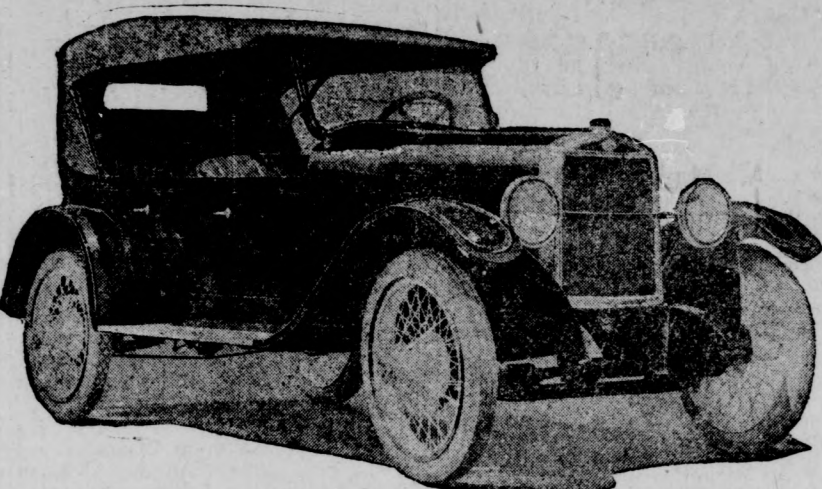

"I ain't nobody's darling," remarked W. H. Kenney of the Kenney Music Shop, 203 North Brand boulevard, yesterday afternoon, speaking about a new rhythmic Columbia song fox-trot he has just received. "Frank and Johnnie" are on the other side. The moaning jazz is by the famous Paul Biese trio, consisting of a bass and soprano saxophone accompanied by a piano. The record has excellent time for dancing, it is declared.  
Another new hit just received is "In a Boat," played by the Happy Six. Upon the reverse side is "Emaline," by the Yerkes Jazambra orchestra.

### Buffalo Dyeing Works to Be Opened in City

The Buffalo dyeing, cleaning, pressing and repairing establishment at 106 West California avenue, expects to be open for business this week. New fixtures are now being made for the shop which will be one of the nearest in the city, the management states. It will be operated by S. Earl Cutting, formerly of Buffalo, N. Y., and J. H. Mitchell, both of whom recently came to Glendale from Hollywood because they saw a better future here, they state.

Complete electrification of our railroads would enable them to haul 20 per cent greater loads without increasing operating expenses.

### SPORTS CHATTER By BILL UNMACK PACIFIC SPORTS SERVICE

Do you remember a year ago last week:

That George Lyon, former Canadian golf champion, defeated Chick Evans by one hole at Port Arthur, Ontario.

That Benny Leonard scored a technical K. O. over Frankie Britt in the 5th round at Hartford, Conn.

That Ernie Johnson, manager and shortstop of the Salt Lake team was sold to the Chicago Americans.

That the University of California football team defeated St. Mary's college 127 to 0; that University of Washington defeated Whitman college 33-14; that Yale defeated North Carolina 21-0; Harvard defeated Valparaiso 14-0.

That Earl Sheeley continued to lead the coast league batting averages with .372.

That for the third year in succession Miss Alexa Sterling of Atlanta, Ga., won the women's national golf championship, played at Cleveland, defeating Dorothy Hurd 4 and 3.

At least one Pacific Coast baseball league batting record was broken in the season just closed. Duffy Lewis of Salt Lake with 195 games batted .401 per cent, this being the first time on record that a coast leaguer—a regular—has topped the .400 percentage for a season. Back in 1906 Brashear of Los Angeles had .388 per cent but he only played 65 games. Lewis was released from the majors as the moguls figured he was "through" and could not hit. His work with Salt Lake certainly proved the fallacy of the major leaguers' opinion.

### The WORLD OVER By FRANKLIN B. MORSE. PACIFIC SPORTS SERVICE

With the issue in doubt as to the positions of the three leading teams until the last day of play, Los Angeles eventually won the pennant of the Pacific Coast League for the 1921 season. The failure of the San Franciscans to finish at the top must be largely ascribed to an eleven hour slump from which they did not have time to recover. Although there are critics who aver that Graham was lacking in an adequate pitching staff, it was not until they began to decline that mention to any extent was made of this. That he might have had a stronger combination of moundsmen may be true enough, but what laid low the Seals was the belated slump, and a slump is something that neither manager nor trainer can forecast, and when it comes along it has to be worn off.

No one yet has successfully been able to analyze a slump, but it is more or less physical and psychological, and no remedy has ever been found for it. The final standings of the teams compared with the final week of the last season were as follows:

	W.	L.	Pct.
1921			
Los Angeles	108	80	.575
Sacramento	105	80	.568
San Francisco	106	82	.564

Oakland	101	85	.543
Vernon	96	90	.516
Salt Lake	73	110	.399

1920			
Vernon	110	88	.555

San Francisco	103	96	.518

### Reach Compromise In Fight Over Big Estate

SAN FRANCISCO, Oct. 13.—Only the general terms of the settlement which ended the contest for the \$15,000,000 estate of James E. Murray, millionaire California and Montana mining man, were made public here following the probating of the will left by Murray at Salinas.

Mrs. Mary Haldorn Murray, widow, and her son, Haldorn, are to receive approximately \$3,500,000 under terms of the settlement, it is understood. James E. Murray of Butte is a principal beneficiary and May Murray of Seattle will receive 1000 shares in the Monidah Trust company valued at between \$400 and \$500 a share as well as other stocks and bonds. James E. Murray is to receive a large interest in the Monidah Trust company and a seven-story Tacoma office building. ### Former Sheriff Being Asked to Explain Acts

SEATTLE, Oct. 13.—Former Sheriff John Stringer was asked to explain today why he employed a local attorney, a personal friend, as a "criminal deputy" at \$150 a month, ignoring the prosecuting attorney's office and cutting the "deputy" off the salary list during the month in which the budget was under the county commissioners consideration. This is in addition to charges filed by the county commissioners asking the return of \$5962, alleged to have been pocketed by Stringer in charging 25 cents for each federal prisoner lodged in the county jail in excess of the regular payment. The excess charge was for "custody and safeguarding," according to Stringer's books.

### Federal Traffic Board Plans to Stop Waste

The board will direct its attention to a proper classification of all articles shipped by the United States. Government property will be listed under commercial names to prevent overlapping of service.

Excavating to Begin In Ten  
Days or Less; Details of  
Plans Told by Owner

Work on excavating for the Am-

brosini Hotel at the northeast corner

of East Broadway and Glendale

avenue will start within the next ten

days it was announced today by An-

thony Ambrosini, 632 1/2 East Broad-

way. As soon as the excavation is

done work will begin on the six story

steel structure, stated Mr. Ambrosini

and it is being planned to have the

first three stories completed in time

for the holiday tourists, if possible.

Mr. Ambrosini owns seven lots at

the northeast corner of East Broad-

way and Glendale avenue and the

size of the hotel will be 236 by 229

feet. Fifteen stores and 300 rooms

are being planned in the design

which will be completed within a

few days. The corner store, stated

Mr. Ambrosini, will probably be ren-

ted out for a drug store.

The second floor will contain a

large dining room artistically fin-

ished. The third floor will be fitted

out with a reception hall, and a large

dancing hall equipped with a small

stage for the entertainment of

guests.

Theatre Is Possibility

The proposed theatre is more than

a possibility, but Mr. Ambrosini says

it must wait until the hotel is ready

to accommodate the public. A large

garage for the accommodation of

hotel guests will be included in the

plans, and there will be a department

for taxicabs.

Mr. Ambrosini, who is now busy

erecting a fine residence at the

northwest corner of Isabel and Har-

vard streets, is very much enthused

over the hotel venture and is anxious

to get to work on the structure as

soon as possible.

"I know a large, modern hotel is

what the city is much in need of,"

he said, "and I am anxious to get the

work started. As soon as the exca-

vating, which will start within the

next ten days, is finished carpenters

will begin work.

"The plan will call for a six story

hotel with fifteen store rooms and

300 rooms, but it is my intention to

complete the first three stories as

rapidly as possible so that tourists

may be accommodated."

Fourth Trip to South;

Decides to Stay Here

Mrs. Helen Knappen-Scrpps of Al-

bion, Michigan, who is now visiting

at the home of her sister, Mr. and

Mrs. Mark Russell, 1007 South Cen-

tral avenue, has decided to reside

permanently in Glendale. It required

the fourth trip to California, she

states, to reach that decision, but the

climate, scenery and facilities of

Glendale finally prevailed.

For fourteen years Mrs. Knappen-

Scrpps was dean of women at Albion

college, the largest denominational

school in the state of Michigan. She

is a member of the Delta Gamma

sorority, a member of the D. A. R.,

and is active in the missionary work

of the Methodist church.

 Its use next year depends upon the wishes of the teachers. Three days of general institute will be held at Los Angeles on Wednesday, Thursday and Friday, December 21, 22 and 23, 1921. The first series of local institutes is being held this week at 22 centers throughout the country.

Two violin selections were played this morning by Miss Hazel Linkogel, accompanied by Mrs. Dora Gibson. The title of the first was "Gypsy Melodies" by Sarasate and the name of the second was "The Old Refrain" by Fritz Kreisler.

The school superintendent of Kern county, L. E. Chenoweth, addressed the assembly this morning, also, and this afternoon the speaker of the occasion is Stanley E. Wilson of the state board of education.

 Migration to San Fernando Cars for All

Resuming the meetings at the American Legion hall, 610 East Broadway, Tuesday night by request and invitation of Glendale Post No. 127, Mary Jane Gillette Tent No. 18, Daughters of Veterans, were greatly pleased with the changes that had been wrought by the legionnaires. A great transformation had been made in the hall and the Daughters of Veterans were profuse in their admiration and appreciation of these quarters.

The meeting was especially interesting, due to the presence of Department President Maybel Plymire of San Francisco, and members of her staff who are making their official visit. Department President Plymire congratulated the members of the tent upon its growth and activities and laid special stress on the work of the press correspondent and the generous spirit of the Glendale daily publications. Mrs. Plymire has just returned from a national encampment at Indianapolis and she brought the gratifying news that the Daughters of Veterans in the California and Nevada departments have won national honors for their growth and patriotic activities.

**Site for Memorial Home**  
 One of the important matters discussed at Tuesday's meeting was that of the purchase of a suitable site for a Daughters' Memorial Home at Sawtelle. The money to purchase this site was raised in a rather unique manner. Each member pledged herself to earn by their individual effort the sum of \$1 to apply on this project. In addition to that donations are received, which it is hoped will make up the deficiency.

Miss Hazel Wilson was initiated into the tent with the impressive ceremonies of the order.

After being favored with short addresses by several of the visitors, light refreshments were served to the members and special guests present.

**Officials Are Visitors**

Among the visitors were Maybel Plymire of San Francisco, department president; Margaret Stone of Sawtelle, department senior vice president; Susie Stubbfield of Sawtelle, department treasurer; Lotie Fields of Los Angeles, district organizer; Lillian Kroeson of Los Angeles, chief of staff; Annie Ledlar of Los Angeles, past department president; Cora Nichols of Los Angeles, past department secretary; Eva Griffin, Nancy Deans, Ada Judd and Shirley Nichols of Helen Jean Christy tent, No. 17, of Los Angeles, and Francis Hawthorne of Rosecrans Camp, Sons of Veterans, of Los Angeles.

## Real Estate and Law Office Will Be Opened

A new real estate law office and realty firm will be opened at 206 West Broadway within the next few days by Attorney John L. Bolen and wife, Mrs. Alberta E. Bolen, who came here from Chicago recently and purchased a home in the Verdugo Woodlands.

Attorney Bolen has had much experience in real estate law, having practiced in abstracts in Kansas for a number of years, after which he was with the Title & Security company of Chicago for nine years. This has given him special training in real estate law which enables him to speak with authority on realty matters, it is pointed out.

Mrs. Alberta E. Bolen will engage in real estate at the office. She has had much experience in suburban real estate and in colonization projects in Michigan and Florida, which has given her a practical insight in handling large deals.

Mr. and Mrs. Bolen first came to Los Angeles to live, but decided they liked Glendale better and purchased a home in the Verdugo Woodlands. Both are enthused over the future of the city and believe that in choosing Glendale they have selected the best city in California in which to make their home.

## H. E. Rommel Secures Contract for School

At the meeting of the Eagle Rock school board last night contracts were awarded to H. E. Rommel, 131 South Brand boulevard, for the construction of the Central Grammar school and the building of additions to both the East and the West Grammar schools of Eagle Rock.

The Central school will be a stucco building, 58 by 112 feet, and will consist of four class rooms and a kindergarten. The cost of the building, Mr. Rommel stated, would be \$32,000. Work will begin next Monday and the school will be completed within the next ninety days.

The additions to the East and West Grammar schools of Eagle Rock will each consist of a class room, cloak room and toilet. Pergolas will connect the new additions to the main schools. The work will be finished within the next sixty days.

**R**EGISTRATION for the New York mayoralty election next November begins tomorrow in earnest, a friend in the Big Town writes me. He is quite interested in voting for he is a policeman. And police and politics and a little bit of everything else gets all mixed up in Gotham until the regular resident begins to believe that Greater New York is the larger part of the United States.

However, the motion picture industry is doing much to eliminate the air of self-consciousness evidenced by the greatest city on this continent, for it is all of that. Nowadays it is nothing for a half hundred film stars to board a limited train for Los Angeles as though it was a week-end trip into the Catskills. And a little sail down to Palm Beach could be compared to a voyage around Long Island sound in the old days.

Luckily for California it is enabled to spread its claim for attention on the silver sheet throughout the world, thereby convincing hundreds of homeseekers that this is the land of heart's desire.

In another paragraph this New York friend of mine says: "Good old California—the state I am anxious to see and know." Which bears out the statement that the whole world looks toward the setting sun for the future.

Horace Greeley, great editor of his day, said, "Go West, young man." That advice still stands. For nowhere are opportunities greater than they are right here today. Go into the stores or out to the fields and orchards and mines, visit the factories and offices and you will find it the "age of youth."

Here in California is action. It takes the young men to keep the pace. That is the reason for their opportunity. The progress and prosperity now prevalent may be attributed to their initiative and energy well balanced by the experience and capital of older heads.

While speaking more or less about New York, let us consider the prosperity of this country as indicated by the world series ball game. Yesterday the gross receipts for the one game were \$118,974. Of this sum \$101,127.90 will be divided between the Giants' and the Yankees' owners and \$17,846 will go to the national commission.

The players will not participate further in the proceeds and if the series is protracted until tomorrow the team owners will reap a handsome reward. The estimated receipts for the eight or nine games are not less than a million dollars.

Now, when New York can tax itself such a sum for the national pastime of baseball, the business outlook must be bright. And that isn't half the story either. More millions are changing hands as the result of bets which have been placed by hundreds of thousands of Yank and Giant fans in all parts of the United States.

A silver baseball crown was presented Babe Ruth as King of Swat just before today's game. The fans were permitted to pay for it, all of those making donations received a baseball autographed by Ruth.

The crown is ornamented with fifty-nine silver baseballs to signify the "King's" new home run record. Miller Huggins made the presentation speech. All of which sounds very nice.

It was some similar event, however, in the olden days that slipped a crown on King Arthur's head and the English people have been paying for it ever since. In this democracy of ours it seems silly that the people should be paying for silver headgear to be worn by a baseball player or any other person.

The International Festival of Dates, to be held at Indio, October 21, 22 and 23, sends this paper a complimentary ticket. "All the wise men are going," says their slogan. From all over the world date growers are coming with their choicest fruit, so you may see it is going to be some show. The publicity agent says:

"A Festival of Dates, that is new to all mankind, is coming to make you glad, and you will rejoice exceedingly. Therefore, do thou as other 'wise men' did. Put thy bed in the flivver and go thou in quest of the star that shineth over the Coachella valley, and thy reward will be rich indeed."

It is not stated whether the hotels will serve dates and camel's milk, the customary meal for the knights of the desert. But it is said that the hospitable people of Indio are well prepared to entertain friends and visitors during the festival. Quite a number of Glendale people will attend.

## Elimination of Abuses In Building Industry

WASHINGTON, D. C., Oct. 13.—President Harding's conference on unemployment has taken its first definite step in setting up machinery to guard against a recurrence of existing industrial depression when it voted unanimously to recommend the establishment of a committee on construction of development to formulate plans to eliminate abuses and inefficiencies in the building industry.

The committee will be appointed by Secretary of Commerce Hoover and will include material manufacturers, contractors, financiers, engineers, architects and representatives of labor.

Samuel Gompers, president of the A. F. of L., objected to the declaration in the report that "jurisdictional controversies in the construction industry should be permanently abandoned as measures detrimental to public welfare." Mr. Gompers said that no "hard and fast rule may be established to eliminate rival jurisdictional plans for work," and insisted that this statement be stricken from the report of the conference.

An ironing board used as a bridge between two buildings, one of which was afire, saved the lives of two women in New York City. One of the women, an aged paralytic, had to be carried by a policeman.
